U.S. House of Representatives  
Washington, D.C. 20515

Dear Mr. Lott:

STAT Thank you for your letter of 6 August 1984 to Mr. William Casey enclosing correspondence you received from [redacted] who is interested in employment with this Agency after completing her education.

We are always pleased to learn of young people who are interested in careers in the intelligence profession. I am enclosing two brochures which describe our professional and clerical requirements.

STAT As our needs are constantly changing, it is difficult for us to predict what our requirements will be at the time of [redacted] graduation. Therefore, we hesitate to counsel her as to what courses she should take. Many courses may lead to employment if the individual has a good academic record. A bachelor's degree or equivalent work experience is normally required to be considered for professional positions with this Organization. I might add that we look on it as a plus when an individual has a knowledge of history, interest in and familiarity with international affairs and a knowledge of foreign languages.

STAT We appreciate your writing in behalf of [redacted] and hope that the information we have provided will be of assistance to her.

Sincerely,

/s/Charles A. Briggs
